### Planning your activity programme

- Our staff and instructors are committed to helping you achieve the best from your visit here. To help us tailor your activity programme to meet your needs please consider the following:
- Because your safety is of paramount concern to us, we have a strict ratio of 10 participants per instructor, plus on adult leader aged 18 years or over. Stringent safety regulations and guidelines from the relevant national governing bodies regulate the activities we offer. You can download a copy of our Risk Management Summary, which covers all our activities, from our website.
- For groups with special needs or behavioural issues, or have members who may need more individual attention, the number of participants in the group may be reduced and the number of leaders increased, so that we can provide the best possible session for your group.
- If you want to book several sessions of an activity, the sessions may need to take place at different times, we cannot always run multiple sessions of the same activity at the same time.

Please complete and return a signed copy of your activity day booking form within **7 days**. You can return a scanned copy by email or an original by post.

A deposit invoice of £5 per person is attached to this form, please make payment when returning the form. The full balance will be invoiced a month before your visit.

***Please note that you are entering into a contract when you pay your deposit (which fully secures your booking) and that our terms and conditions apply (see downloads page of our website). Receipt of your deposit constitutes confirmation of your booking. We reserve the right to cancel your booking if the deposit payment or final balance is not received when due.***

***I have read the terms and conditions and agree to abide by them.***
