## Terms and Conditions

### 1. Provisional Bookings

A provisional booking will be reserved on our system for 14 days pending receipt of your deposit payment which is approximately 20% of the booking cost. If we do not receive your deposit within this timescale then we will assume your provisional booking is no longer required and the dates will be released for others to book. For provisional bookings that are still over a year away the deposit will be requested once the booking is within 11 months of your requested dates.

### 2. Confirmed Bookings

Your booking is not confirmed until we have received your deposit payment and sent a confirmation email. By paying your deposit you are entering into a contract with us and this is deemed to be an acceptance of our quotation and the booking Terms and Conditions as stated here.

**Please note that deposits are non refundable and non transferrable.**

### 3. Payment dates

Your final balance is due to be paid no later than 1 month before your visit. If your payment is not received by then, we reserve the right to cancel your booking, cancellation charges will be applied.

### 4. Final numbers deadline

Final numbers must be confirmed no later than 2 months before your visit date. If we do not receive any updates from you by then we will assume that the final numbers are the same as originally booked and this is what you will be charged for. Cancellation charges will apply for any reduction in numbers after this deadline.

### 5. Changes to your booking

Please note deposit payments are strictly non-refundable and non-transferrable but we are flexible about reasonable changes to your booking, as defined below, up to 2 months before your visit. Until then, your deposit payment will be allocated against the final cost of the whole booking, so losses should not be incurred.

#### REASONABLE CHANGES – UP TO 2 MONTHS BEFORE YOUR VISIT

This includes updates to your final numbers, changes to your activity programme (subject to availability) and decisions about your catering arrangements. It does not include change of dates or postponements.

#### CANCELLATION CHARGES – LESS THAN 2 MONTHS BEFORE YOUR VISIT

These apply for reductions in numbers, cancelled places, cancelled activities and cancelled catering less than 2 months before your visit, as below:-

- Reduction in numbers or cancelled activity sessions 1-2 months before your visit: you will be liable for 50% of the 'per head' cost

**To avoid incurring financial losses due to unexpected circumstances we recommend that all groups take out cancellation insurance.**

Cancellation of your whole booking must be emailed or in writing. The cancellation date is the date we receive your communication in writing.

#### WHOLE BOOKING CANCELLATION CHARGES

- Deposit payments are non-refundable and non-transferrable
- Within 2 months of arrival: you are liable for 50% of booking value
- Within 1 month of arrival: you are liable for 100% of booking value

**To avoid incurring financial losses due to unexpected circumstances we recommend that all groups take out cancellation insurance.**

### 7. Cancellation by the Centre

If The Christian Adventure Centre has to cancel your booking due to exceptional circumstances you will be offered either a full refund of any payments made, or a postponement option if you prefer (subject to availability). Our liability does not extend beyond this.

### 8. Catering

Groups are assumed to be self-catering unless catering has been specifically booked and is shown on the booking confirmation. If booked, group leaders must submit a catering form with dietary requirements no later than 1 month before their visit date.

### 9. Activity Programmes

**SCHOOL PACKAGE DEALS:** If you have chosen a package deal this will include a varied and age appropriate activity programme that is chosen by us. The package deal is not designed to cater for requests for specific activities because, to keep prices as low as possible, we utilise existing staff availability and qualifications for mainly onsite activities. and this may include some group led activities such as Navigation or Teambuilding with resources and instructions provided by the Centre. Again this helps to keep the cost of packages as low as possible.

**BESPOKE PROGRAMME:** If you have prefer a bespoke activity programme we require your choice of activities and preferred days/times within 14 days of your confirmed booking date so that our small staff team can fully resource your requirements. All activities are subject to availability and qualifications of instructors, sometimes we use approved freelancers to fulfil your programme. If we are unable to fully resource your activities we may offer you alternative activities or cancellation with a refund of your deposit. If you leave it later than 14 days to advise us of your activity choices and we are unable to resource instructors we will offer you alternative activities but we will not be able to cancel your booking or refund your deposit payment.

**CHANGES TO ACTIVITIES:** Occasionally activities need to be changed due to adverse weather or circumstances beyond our control. If for any reason we cannot offer one or more of the activities you booked we will liaise with you to offer an alternative activity that you are happy with. Alternatively we can refund the cost of that particular activity but we are unable to recompense you beyond this.

### 10. Health & Safety

Stringent safety regulations and guidelines from the relevant national governing bodies regulate the activities we offer. Risk assessments and accreditations can be downloaded from our website. There is a strict ratio of 10 participants per instructor for offsite activities plus one adult supervisor for each activity group responsible for supervising behaviour and individual needs of the participants. Instructors have the discretion and authority to remove participants who do not act sensibly.

### 11. Medical Disclosures

Everyone participating in an activity must complete and submit a hard copy of our Consent and Medical Form upon arrival. Instructors are used to accommodating common conditions so there is no need to send these in advance unless there is a particular concern that needs additional resourcing or specialised care. The group leader must also provide a summary Cover Sheet highlighting all relevant disclosures to assist the instructors accessing information quickly and easily. All these forms will be provided for you to complete. Activities cannot be undertaken if the medical and consent forms are not available.

### 12. Surcharges

As we are primarily an outdoor activity centre and employ instructors, we reserve the right to apply surcharges if you do **not** book any adventure activities. The minimum requirements are as follows:-

1-night stay: Minimum 1 activity session per person

2-nights or more: Minimum 2 activity sessions per person

**NOTE:** This surcharge does not apply to Church/Faith groups who meet our charitable purposes through Christian aims and outcomes.

### 23. Car parking

Cars are NOT ALLOWED on the campsite field. Please park in the car park. Cars and contents are parked at owners' risk. The parking area is limited; please share transport wherever possible. If you have a large incoming group with cars please allocate a carparking steward to ensure a safe environment and direct your group to roadside parking on the main road if necessary.
